BRIEFERS.

—Nip and Tuck at the opera house.

—Lost—A small postoffice key—please leave at this office.

—Captain J. B. Lagrange is the senior captain of the first regiment.

—The Bower City band will give an open air concert on the corn exchange square this evening.

—Mrs. B. E. Eldridge, who has been severely ill during the past few days, the Gazette is glad to note is improving.

—The little child of Mr. and Mrs. C. C. McLean is very sick, and the friends of the family express their doubts as to its recovery.

—The home of Mr. and Mrs. Fred Comstock, of the second ward, has been made happy by the arrival of a handsome baby boy.

—In the circuit court to-day, in the case of Anna Murphy against Fardy Murphy, Judge Bennett granted a decree of divorce.

—The friends of Mr. A. J. Glass will be pleased to learn that he is slowly improving, and that the chances are now favorable for his recovery.

—Mr. R. C. Yeomans is repairing the well and pump at the corner of West Milwaukee and Franklin street. A new pipe is being put down.

—There is a good deal of military life in the city to-day, reminding some of the time when the 3d cavalry and 13th infantry were in camp here—during the war.

—The national colors are pretty generally displayed in different parts of the city—many of the business houses being decorated with little flags and red, white and blue.

—The grand military ball given by the Catholic central band, will take place at the Rialto amusements to-morrow evening. The public will be made welcome, and the members of the band will assume all who attend a pleasant evening.

—The lower end of the park was full of people last evening, men, women and children, who were highly entertained by the Bower city band. This band is a great favorite with the people, and they always draw a good audience whenever announced to play.

—The Woman's Mission Circle of the Baptist church will hold the meeting announced for Friday of this week. On Friday, Aug. 17, a mission tea will be held at the residence of Mr. Stanley B. Smith. It is hoped that there will be a general attendance of the ladies of the church and society.

—Nine days have now passed since little Willie Hines fell into the river at the railroad bridge at Monterey, and the body has not been recovered. Parties are watching the river all along from the bridge to Beloit, with the hope of securing the body as soon as it comes to the surface.

—There was a fair sized audience at the opera house last night to hear Heywoods minstrels. The minstrelsy part of the programme was hardly up to the average of such troupes. The singing was not good, the orchestra only fair, and the jokes were common-places. Among the specialties, there was some better work done. The trained dogs were good, the bear performers excellent and the clock dances first rate. Owing to a mishap in coming from Whitewater to this city, the orchestra was very much crippled.

—Harry Webber's company will open their season of four nights at the opera house this evening, presenting the great comedy hit, Nip and Tuck. The company is a good one, and come here with the best of recommendations. The "Lion King" (Miche), Republican, of recent date, says: Harry Webber's Nip and Tuck company gave an excellent performance at the Opera house on Wednesday night. There is not a stick in the company, and Harry Webber, the child actress, drew rounds of applause; she is the greatest marvel for a little body, in face, tone and gesture, we have ever seen.

—Mr. Lormon Buchholz, is turning out some extra due work from his carriage manufactory in this city. He has just completed and shipped to Palmer Bros. livermen of La Crosse, a handsome wagonette for the use of bearers at funerals. This is a light platform wagon made something after the style of a carryall, for the accommodation of six persons, besides the driver, is handsomely upholstered and finished in black, being something new and original in this line of business, and will be a useful vehicle in an unhealthy community. Mr. Buchholz is also completing some handsome carryalls, one for parties in Portage, one for Stoughton, and one to be shipped to Missouri, which are models of beauty in this line of carriage building. He also has all styles of the best vehicles, of his own manufacture, which he is disposing of at the lowest living prices. People in search of good vehicles in this line should call at his shops, corner of Bluff and East Milwaukee streets.

A Life Saving Present.

Mr. M. E. Allison, Hutchinson, Kan.: Saved his life by a simple trial bottle of Dr. King's New Discovery, for Consumption, which caused him to procure a large bottle, but completely cured him, and everything else failed. Asthma, Bronchitis, Throat and Lung diseases, and all Throat and Lung diseases, it is guaranteed to cure. Trial bottles free at F. Sherer & Co. Drug store. Large size \$1.00.
